Sustainability Meeting Minutes

Date: 3/18/26

Time: 3:30pm – 4:30pm

Location: L106 – Zoom <https://4cd.zoom.us/j/86588540382>

1. Welcome and Introductions

- Members present: Jarrod Holcombe, Zine Sandy, Elizabeth Esparza
- Guests: Tiffany Morgan, Tracy Marcial, Katherine Chen
- Absent: Yollotl Lopez, Sheri Woltz

2. Reports

- •

The Sustainability Committee met on Wednesday the 18th at 3:30 p.m., beginning with brief updates during which neither Maintenance nor Custodial had any new information to report.

- •

The District provided a transportation survey and requested that it be shared with both the LMC and Brentwood Center communities. Sheri to forward the survey to the committee and the campuses, and Liz committed to posting it for the Brentwood Center.

- •

Tiffany, representing faculty, asked the committee to review the email she sent regarding Earth Day planning and considerations.

- •

Jenica raised questions about the possibility of using mulch generated by tree-cutting contractors. It was noted that the mulch could be used in the Nature Preserve, and that the Grounds team can request material when needed, as long as they are prepared with a plan and ready to use it promptly once it arrives.

3. Old Business

-

The committee revisited Old Business related to Earth Day. The Hyphae Club is planning an event in the Nature Preserve on April 29th from 11 a.m. to 3 p.m. Members discussed whether the Sustainability Committee should set up a table, and requested Sheri to look into the committee's capacity to participate.

-
-

Ideas for Earth Day engagement included hosting a clothing swap or bringing in an external vendor. Katherine will share vendor contacts to support planning.

-

4. New Business

The meeting concluded with a discussion about water usage and future landscaping efforts. Tracy will provide contacts to the M&O Director to help gather more information on potential reclaimed-water irrigation project.
