- Guests: Jennifer Garcia, Tiffany Morgan, Tracy Marcial, Richardo Black
- Absent: Matthew Taylor, Zine Sandy

2. Reports

- Jarrod – Several projects working on control upgrades to better regulate energy. New meters to be installed to monitor energy per building rather than whole campus.
- Zine – No Custodial report.
- Sheri- Has been working w/Eloine Chapman to update sustainability webpage, archiving previous ones. Still need to have webpage box for current agenda and minutes.
- Tracy- Transportation survey that would be finalized Feb. 2 to be released early in spring semester. Tracy will also share the Climate in Curriculum Workshop information from the Chancellor's office.
- Liz- Still interested in Upcycle table in Brentwood Commons, Jarrod shared the bookstore repairs should not be problem. Also big shout out to the Grounds crew for making the Brentwood Center look nice, the residents from Trilogy appreciate it.
- Richardo- Shared his caretaking objectives for the Nature Preserve
 - We have more student involvement
 - Would like to continue replacing landscape with native plants
 - Asked about having Fire Academy do controlled burns
 - Plans to have annual Earth Day event, details to come
- Yollotl- Shared the successful Mend Don't Spend event, about 10 people attended on Jan 15th, she enjoyed seeing repeat participants, especially while school was out on break. Yollotl also attended one of the conferences Tracy mentioned and found it informative.
