4.	**New Business** *(items appearing on agenda for first time)*			
4a.	**Review of current campus printing solution: Pay4Print**	Carl Chiu		Pay for print structure is archaic. (Pinnacle) Pinnacle suggest a cloud based solution College needs to start Discussion, discussing what do people need. Then we look at vendors that meet those needs. What do we need out of this system Curtis: what would be the cost. How do the vendrs work? Carl: as we move to textless people still print. Paul: informs that student want a hard copy of lab manual. Curtis suggests 10c a page is exorbitant. Carl: does not have a refresh budget. Online cloud sources could solve money or tangible means to print. Suggests student may have 100 pages available for free first then starts paying.
