CONGRATULATIONS!

LOS MEDANOS  
COLLEGE

## PRESIDENT'S MESSAGE

---

Commencement marks a significant milestone for our students, as it represents the culmination of their hard work, dedication, strength, sacrifice, determination, and resilience. We commend all that they have accomplished during their educational journey at Los Medanos College.

Our mission is to be the primary path to success for our students – by providing equitable learning opportunities, tools, support, and outcomes that lead to the achievement of their educational goals. These incredible students have worked tirelessly to prepare for transferring to a four-year institution, entering the workforce in their chosen career field, or pursuing other professional opportunities. LMC is proud to have played a part in their learning, growth, and fulfillment: through the faculty, who imparted knowledge and fostered innovation; by classified professionals, who provided exceptional services and support; and from our administrators, who offered guidance and strategies for success. We also acknowledge and thank the loved ones and friends who have supported and encouraged our students along the way.

Graduates, we encourage you to reflect on the skills and strengths that you have developed while attending Los Medanos College. Go out into the world, seek new opportunities, and face any challenges head-on. Utilizing the knowledge you have gained, the competencies you have mastered, and the diverse perspectives you have experienced at LMC, there is no limit to what you can achieve.

On behalf of the faculty, classified professionals, and administrators at Los Medanos College, the Contra Costa Community College District Governing Board, and Chancellor Bryan Reece, congratulations to the Class of 2021 – and best wishes for continued success!

Sincerely,

Bob Kratochvil, Ed.D.  
President
