PRESIDENT'S MESSAGE

Welcome to the 51st Commencement Ceremony at Los Medanos College!

Today marks a milestone for our graduates, as it represents the successful completion of their educational journey here. We proudly celebrate not only their achievements – both inside and outside of the classroom – but also their unwavering commitment, persistence in the face of challenges, and years of hard work.

For the Class of 2025, the path to this ceremony has been marked by dedication and resilience. They have navigated rigorous coursework, balanced personal and professional responsibilities, and overcome obstacles that tested their resolve. Through it all, our graduates have demonstrated a remarkable ability to persevere and thrive. On this occasion, we also recognize the support and encouragement provided by family members and friends, many of whom have joined us for this celebration today.

Graduates, as you transfer to a four-year institution, move into your chosen career field, and step into the next chapter of your lives, know that your potential is limitless. At Los Medanos College, it is our mission to be the primary path to success for all of our students – by providing the equitable learning opportunities, inclusive environment, and tools to help you achieve your goals. Remember that the skills, knowledge, and experiences you have gained here will serve as a strong foundation for your future success. This is only the beginning of more opportunities for your learning, accomplishments, and contributions to positively impact our community, our country, and our world.

On behalf of the Contra Costa Community College District Governing Board, Chancellor Mehdizadeh, and the faculty, classified professionals, and management team at Los Medanos College, congratulations to the Class of 2025 – and best wishes for a bright and prosperous future!

With appreciation,

Pamela Ralston, Ph.D.
President
